**LEISURE by W.H. DAVIES**

What is life if, full of care,  
 We have not time to stand and stare?  
 No time to stand beneath the boughs  
 And stare as long as sheep or cows.  
 No time to see, when woods we pass,  
 Where squirrels hide their nuts in grass.  
 No time to see, in broad daylight,  
 Streams full of stars, like skies at night.  
 No time to turn at Beauty's glance, And  
 watch her feet, how they can dance. No  
 time to wait till her mouth can Enrich that  
 smile her eyes began.  
 A poor life this if, full of care,  
 We have no time to stand and stare.

## **PROFESSOR BLINKER**

Professor Blinker  
Worked so hard  
He built a bomb  
In his back yard  
  
He lit the fuse  
And stood well back But  
not quite far enough  
Alack!

The bomb went off  
B A N G  
Oh dear me  
Professor Blinker  
R.I.P.

M192. HANDWRITING. For Children aged ten or eleven

## **SING A SONG OF SCIENCE**

Sing a song of science  
A rocket full of mirth  
Four and twenty monkeys  
Orbiting the earth  
  
When the rocket landed  
It came down on the moon  
And there they scoffed their Swaledale cheese  
With knife and fork and spoon

Carey Blyton.

M193 HANDWRITING. For Children aged twelve to 16

### FOOLISH QUESTIONS

Where can a man buy a cap for his knee?  
Or a key for the lock of his hair?  
And can his eyes be called a school?  
I would think there were pupils there!

What jewels are found in the crown of his head?  
And who walks on the bridge of his nose?  
Can he use, in building the roof of his mouth,  
The nails on the end of his toes?

Can the crook of his elbow be sent to jail  
If it can well then, what did it do?  
And how does he sharpen his shoulder blades,  
I'll be hanged if I know; do you?

Can he sit in the shade of the palm of his hand?  
And beat time with the drum of his ear? Can  
the calf of his leg eat the corn of his toe? –  
Enough! I don't want to hear anymore.
